

INTERNATIONAL WORKSHOP
on BIODIVERSITY
BIALOWIEZA FOREST

- *Explore biodiversity of last natural forest in Europe – the Białowieża Forest*
- *Understand natural processes in forest habitats*
- *Come face to face with the European Bison in natural habitats*
- *Learn about wildlife of the Białowieża National Park from best experts and scientists*
- *Take advantage of unique possibilities offered by international workshop on biodiversity*

SPRING WORKSHOP
„BIRDS”

May 13 – 19, 2012

Application deadline: April 27, 2012

Photos: Krzysztof Komar, Janusz Korbel, Martijn van de Loo, Sascha Roesner, Karol Zub, Olimpia Pabian

SPRING PROGRAM ^{*)}		TOPICS of seminars and field work activity	GROUP work **
Day 1	19.00 - 20.00	dinner	
13.05.2012	20.00 - 22.00	Seminar: INTRODUCTION to the Bialowieza National Park – presentation & discussion – dr Bogdan Jaroszewicz	
Day 2	5.30 – 8.00	Field trip: Bison tracking in natural forest habitat. Bicycle trip	
	8.00- 8.45	breakfast + packed lunch	
14.05.2012	9.00 – 16.00	Field training: Dead wood in the forest – its role, amount and classification - Strict Protected Area of Bialowieza National Park - dr Bogdan Jaroszewicz, dr Rafał Kowalczyk, dr Karol Zub	A group, B group C group
	18.00 - 19.00	dinner	
	20.30 – 22.00	Field trip: Owls of Bialowieza Forest - Arkadiusz Szymura, Mateusz Szymura	
Day 3	5.30 – 11.30	Field training: Recognize of birds voices – dr Dorota Czeszczewik	A group
	Packed breakfast	Field training: Woodpeckers of Bialowieza Forest – prof. Wiesław Wankiewicz	B group
15.05.2012	12.00 – 13.30	Seminar: Significance of the bird songs – dr Dorota Czeszczewik	A group
		Seminar: Woodpeckers of Bialowieza Forest – prof. Wiesław Walankiewicz	B group
	6.30 – 13.30	Field training : Spring flora of deciduous forest – dr Bogdan Jaroszewicz	C group
	14.30 – light lunch	and free time or Natural History Museum of Bialowieza National Park VISIT	
	18.00 - 19.00	dinner	
	19.30 – 21.00	Seminar: Community of forest birds – dr Karol Zub	
Day 4	5.30 – 11.30	Field training: Recognize of birds voices – dr Dorota Czeszczewik	C group
	Packed breakfast	Field training: Woodpeckers of Bialowieza Forest – prof. Wiesław Wankiewicz	A group
16.05.2012	12.00 – 13.30	Seminar: Significance of the bird songs – dr Dorota Czeszczewik	C group
		Seminar: Woodpeckers of Bialowieza Forest – prof. Wiesław Walankiewicz	A group
	6.30 – 13.30	Field training : Spring flora of deciduous forest – dr Bogdan Jaroszewicz	B group
	14.30 – light lunch	and Walking trip to Bison Reserve of Bialowieza National Park - Mateusz Szymura	
	18.00 - 19.00	dinner	
	19.30 – 21.00	Seminar: Biodiversity lost – dr Karol Zub	
Day 5	5.30 – 11.30	Field training: Recognize of birds voices – dr Dorota Czeszczewik	B group
	Packed breakfast	Field training: Woodpeckers of Bialowieza Forest – prof. Wiesław Wankiewicz	C group
17.05.2012	12.00 – 13.30	Seminar: Significance of the bird songs – dr Dorota Czeszczewik	B group
		Seminar: Woodpeckers of Bialowieza Forest – prof. Wiesław Walankiewicz	C group
	6.30 – 13.30	Field training : Spring flora of deciduous forest – dr Bogdan Jaroszewicz	A group
	14.30 – light lunch	and free time	
	19.00-20.00	dinner	
	19.30 – 21.00	Seminar: Discussion about Protected Areas, challenges and treatnes – dr Czesław Okołów / dr Bogdan Jaroszewicz	
Day 6	packed breakfast		
	4.30 – 15.30	Field trip with packed breakfast: Trip to Siemianowka – birds of fresh water ecosystem - dr Karol Zub, Arkadiusz Szymura	
18.05.2012	15.30 – 16.30	light lunch	
	Free time	FREE TIME	
	19.00	bonfire	
Day 7	8.00-9.00	breakfast & DEPARTURE	
14.05.2012			

*) Workshop program may change due to weather conditions and the number of participants; **) Numbers of participants is limited
